

Dear Mother

Remember being choked? you  
pass out twice before connecting  
with the essence of Buddha  
Jesus & all the enlightened  
beings on this world.

Your connection is true. It  
is never missing from you.

Go there now. Feel Joy  
and the bliss.

Know that this is the  
energy which beats your heart,  
shakes the leaves of the trees  
and sparkles the eyes of  
your babies.

All of ~~of~~ your babies for  
each person and being you  
connect with is a baby that  
is connected to you.

Each moment you spend

appreciating your babies  
you will serve the universal  
spirit and release suffering.

Ask for your heart to  
expand into the universe &  
you will experience joy and  
you will be fulfilled.

Never let a suffering soul  
get in your way. Especially  
yours. For there is no such  
thing as a suffering soul - its  
only a confused mind &  
energy which has not been  
released in awhile - you  
can help to release by simply  
being true to yourself, trusting your  
connection and letting your  
energy be fully experienced with  
your awareness and then  
released back to me.

Your experience is the most important thing to my existence. And if you choose with your mind, to not fully live - I will send you a predicament. And the guys only get bigger!

Enjoy, play, release your heart, vision + joy into this world right now for it will release me in more + more people. Help me awaken the spirit again in other people.

Be sure that I will put you to work and know that you are built + equipped with

exactly the right tools  
for every moment of  
time. Your time is endless  
and perfect and your  
only goal. The only skill  
you must develop moment by  
moment is your awareness.

Its this simple. Be aware  
& you cannot miss me. For  
I am always there and  
always guiding you to love  
and to live. And in doing  
so you serve the universe

And the universe has  
only love & joy - the best  
mission around - to give  
and to share

I Love You
